

ABARNAA V

Remote Sensing And GIS Analyst

📞 : 8300163636

Date of Birth : 03/28/2001

✉ : abarnaastudies28@gmail.com

Gender : Female

📍 : Thindal, Erode, Tamil Nadu.

Nationality : India

Aspiring Geospatial Analyst with a strong interest in leveraging spatial data, GIS technologies, and analytical tools to support sustainable and evidence-based decision-making. Passionate about transforming geospatial insights into practical solutions that address environmental, urban, and societal challenges.

Work Experience

September 2025 - **Remote Sensing Analyst**

Till Date

Niruthi Climate And Ecosystems

Hyderabad,
Telangana

1. Performed Crop Classification using Sentinel 1 and 2 Images for Kharif and Rabi season.
2. Estimated Sowing and Harvesting Dates for crops in Kharif and Rabi Season with fallow period and Crop transition analysis
3. Performed Site Suitability Analysis for Cheetah(*Acinonyx jubatus*) Survival around Nallamala Forest Region.

August 2024 -
May 2025

Research Intern

Space Application Center,ISRO

Ahmedabad,
Gujarat

Worked on the analysis of the Evaluation of Microwave Sounders using Radiative Transfer Model namely Atmospheric Radiative Transfer Simulator(ARTS)

May 2024 -
June 2024

Outreach Intern

Department Of Agriculture

Erode, Tamil Nadu

Worked with mapping water bodies for 3 blocks in Erode district using Remote Sensing and GIS

November 2023 -
January 2024

Digitisation Intern

Bharati Institute Of Public Policy,Indian School Of Business

Worked on digitising the reserved forest regions and creating geo-database for the

Sheopur district in Madhya Pradesh.

 Education

August 2023 - May 2025	Geoinformatics - Indian Institute Of Space Science And Technology	Masters In Technology	Trivandrum, Kerala.
September 2018 - April 2022	Geoinformatics - Anna University Regional Campus Tirunelveli	Bachelor Of Engineering	Tirunelveli, Tamil Nadu.

 Certificate

May 2026	Data Analysis in Python by NPTEL (IIT Roorkee)
May 2025	GIS Drones and Machine Learning for Resource Mapping-NPTEL+ IITM
May 2024	Microwave Remote Sensing for Hydrology-NPTEL-IITB
February 2024	UAV Based Survey,IEEE-GRSS
November 2023	Python Certification,RSIGST
May 2021	R Programming,Internshala

 Skills

ArcGIS	★★★★☆	QGIS	★★★★☆
Google	★★★★☆	Python	★★★★☆
Earth Engine		R	★★★★☆
